A hoffech chi dderbyn help gydag unrhyw broblemau sy'n eich rhwystro rhag chwarae mwy o ran yn addysg eich plentyn?

Oes yna unrhyw help y gallwn ni ei gynnig i chi! helpu eich plentyn i wneud yn well yn yr ysgol?

Ydych chi'n teimlo rhaid bod yna ffordd haws o helpu eich plentyn gyda gwaith ysgol?

Do you feel that there must be easier ways to help your child with school work?

Is there any help that we can offer you to help your child do better in school?

Would you like help with any problems that stop you from becoming more involved in your child's education?

Would you like to improve your confidence in relation to your own learning and skills?

The **School Cluster Key Worker Project** encourages stronger links between the community and schools to support children and their parents.

Funded by **Communities First and the Pupil Deprivation Grant** the project involves dedicated Family Liaison Key Workers based in the following schools:

- Bishop Hedley High School
- Cyfarthfa High School (including the feeder primary schools)
- Penydre High School (including the feeder primary schools)
- Welsh and Catholic Primary Schools (Ysgol Rhyd y Grug/Ysgol Santes Tudful/St Aloysius Primary)

WHAT ARE THE AIMS OF THE PROJECT?

There are four main aims of the project:

- To improve community involvement in schools
- To help children to do well at school
- To support school transitions
- To improve family engagement in their children's education

The Family Liaison Key Worker will work with you to identify any problems you are facing and to agree actions to support you. This may involve:

- Parenting support
- Support to access school/community activities
- Support with school attendance
- Support for child undergoing the transition from Key Stage 2 to Key Stage 3
- Support to access lifelong learning
- Health and wellbeing support

WHO ELSE IS INVOLVED IN THE PROJECT?

The Family Liaison Key Worker may identify other agencies to support you including:

- The MIA service
- Local Authority Schools Department
- Education Support Services
- Adult Community Learning
- Communities First Cluster Teams
- Youth Service
- Health
